In 2007, Adegas Castrobrey, by developing their constant innovation interest, commercialized the project of their “grandfather” and founder of the winery, José Castro Brey: making a wine from the oldest vines grown in Fornotilleiro vineyards in Camanzo – Vila de Cruces (Pontevedra), most of them 50 years old. Thus, Albariño Sin Palabras was born.

In 2012, the first vintage NICE TO MEET YOU CASTROBREY came on to the market. The wine pays a special tribute to the grandmother of the family: Isabel Pereiro Becerra and the three following generations represented by the blending of the three wine varieties: treixadura and godello (50 years old vineyards) and albariño (10 years old vineyards). With an innovative design, the bottle is dedicated to one different city in the world by changing the design and

color of the bottle (vintage 2012 to Seville, vintage 2013 to Girona and vintage 2014 (currently commercialized) to Donosti.

This award means the positive development of Adegas Castrobrey.

Adegas Castrobrey, D.O. Rías Baixas (Ulla subzone)

Familiar winery founded by José Castro Brey and Isabel Pereiro Becerra in 1983. Currently, it is the third generation family tradition that combines the artisanal production and the most advanced cold maceration and controlled fermentation techniques in stainless steel tanks.

The winery is located in the Ulla subzone, in Camanzo (Vila de Cruces), 20 km from Santiago de Compostela. It is a magical place with a unique environment and landscape. The vineyard has an extension of 7 ha. with white varieties such as albariño, treixadura, godello and red vines: red caiño, brancesllao and souson aged between 10 to 60 years old. Our vineyards are situated within the former boundaries of Saint Salvador of Camanzo Monastery (“real monastic viticulture”). The soil is composed by clay, quartz and iron with a granitic base. The climate has Atlantic influence (temperature average: 17°C, rainfall: 1200 mm/m² and 2300 sunshine hours) which marks the character of their wines: Sin Palabras (100% Albariño old vines) / Castro Valdés (100% Albariño young vines) / Nice to Meet you Castrobrey Donosti (Albariño, Treixadura and Godello) / Sin Palabras Special Edition 2010

The bagasse of the grapes of the oldest vines situated in Fornotilleiro is distilled in copper traditional stills, removing heads and tails and using only part of the hearts to produce our orujos BOCABAJO CASTROBREY and CASTROBREY MÚSICA (Specific Designation Orujo de Galicia)

SINPALABRAS 2014 is scored 94/100 and NICE TO MEET YOU CASTROBREY GIRONA 2013 90/100, in the prestigious REPSOL.COM Wine Guide to the best Spanish wines 2016.
